About Flourish

Flourish is a Community Center serving teen girls from under-resourced communities in Mobile & Baldwin County since 2020.

We are hosting a formal fundraiser-- the Flourish Fete-- in September of 2023 to raise funds for our free community center and programs for teen girls locally.

We would love to invite you to join us and sponsor our event. With your generous support, we will be able to continue to impact the lives of teen girls in our community.

Read below about the different sponsorship package opportunities and let us know if you have any questions. Thank you for your consideration!

Mission & Vision

Our mission is to equip & empower teen girls to excel and flourish in all aspects of life

Our vision is to continue to create a safe community center that empower teen girls to grow into the women they were created to be
